In 2023, our partner, Ms. Kang Leap, had the honor of participated in the ASEAN Investment and Trade Forum held in Malaysia, organized by YMP Yeoh Mazlina & Partners, a member firm of the ASEAN Legal Alliance (ALA). The forum convened distinguished delegates from ASEAN, Asia, Europe, and the United States, including industry leaders, government representatives, and key decision-makers. LIM's partner, Ms. Kang Leap attended and in her role as Chairperson of ALA's Cross-Border Investment & Transactions and International Trade Practice Group, delivered a speech on cross-border investment, transactions, and international trade. Her presentation offered valuable insights into post-pandemic investment opportunity in ASEAN. Recognizing the firm's continued commitment to delivering high-quality legal services locally and internationally, our partner was further honored with the "Excellence in Business Law Award in Cambodia". We extend our gratitude to the organizers and the ALA for providing this platform to reconnect, expanded professional networks, and enhanced regional collaboration.
